

Common Questions About the Sign Up Process

Answering common sign up questions and a quick walkthrough of what is required and optional to get to the scholarship

Good to know before you start: The demographic questions on the “About me” page — gender, ethnicity/racial identity, religious/spiritual identity, and disability — are **NOT required**. You can leave them blank or choose “Prefer Not To Answer” and still continue to the next page and finish signing up.

Don't want emails? The final step of this guide shows how to go to “My Account” and uncheck “I would like to receive email notifications.”

Step 1: Create Your Account

Go to the Scholar's App sign-up page. Enter your **first name**, **last name**, **email address**, and create a **password**. We recommend using a personal email (not a school email) so you receive notifications reliably. Check the box to agree to the Terms of Service and Privacy Policy, then click **Continue**.

You may also simply **leave all of these fields blank**. The page will still let you click **Next step** and continue to the final step.

The screenshot shows the 'About me' step (Step 2 of 3) in the Scholar's App sign-up process. At the top, a progress bar indicates three steps: '1 My profile', '2 About me' (current step), and '3 Academic info'. The main content area is titled 'STEP 2 OF 3' and 'About me', with the instruction 'Add more information about yourself'. It contains five text input fields: 'Gender', 'Ethnicity / racial identity', 'Religious / spiritual identity', 'Self-identification of disability', and 'Other'. Below these fields are three checkboxes: 'I have financial need', 'I have performed community service', and 'I'm among the first generation in my family to attend college'. At the bottom right, there are two buttons: 'Go back' and 'Next step'.
